ANDRA-MARIA FRANCIUC
ANTONIA PINTILIE

THE CLIENT

Name: John Smith

Occupation: Photographer

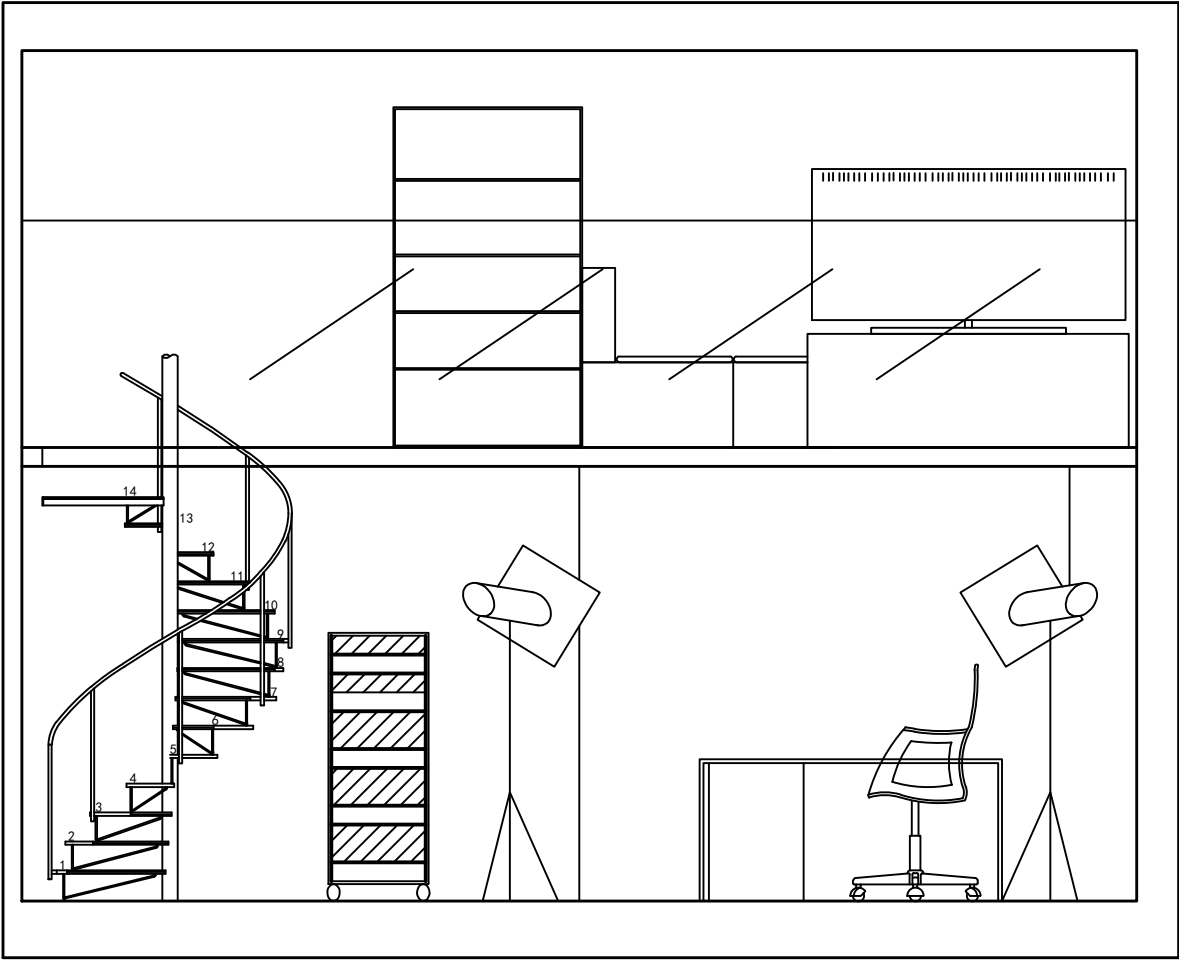

Age: 32 years old

Works both at home and in staged arrangements. The client likes having his closet friends over to watch a movie and spends a lot of time at the computer, resulting in the need for an ergonomic chair. As he has two computers and a laptop, a desk with sufficient space is required. He likes warm colors, and prefers natural and rough textures.
